NEW IN THE VAQUERO SERIES
VAQUERO FOURTEEN

THE NORTHERN HORSES

The Spaniards brought horses to Santa Fe in 1610. By 1730 Plains Indians acquired these horses. It changed their culture and was the birth of a spiritual bond between man and horse that still survives today.

**The Saddle
Doctor's
Repair Manual
for
Western Saddles**

by Dick Orent

Repair Your Own Saddle

This manual was written for the beginner and is an excellent way to get started in the field of saddle repair. **The Saddle Doctor's Manual** will show you how to take a saddle apart down to the tree, do most of the repairs, and rebuild it. Chapters discuss tools, materials, and all parts of a saddle and include many illustrations to help you. There are even blank pages at the end of each chapter for you to make your own notes. 161 pages.

Each book \$19.99 plus shipping and handling, \$4.50 U.S., \$6.00 Canada and \$8.50 for other countries. Payable in U.S. funds only. Allow 2 to 3 weeks for delivery. Nebraska residents add 6.5% sales tax (\$1.30). Sorry no CODs. Send check or money order to:

From Rider to Horseman

Expert Tips for a Lifetime Journey

Each chapter is 4 pages in length and provides specific solutions to specific issues.

**ONLY
\$24.95**
Product #104

WESTERN HORSEMAN BOOKS

38 chapters
160 pages
180 color photographs

By Richard Winters

What's the difference between a horseback rider and a horseman? Simply put, it's the little things, according to accomplished horseman Richard Winters.

Most riders know enough basic skills to stay in their saddles, and that's enough for many. Other riders are future horsemen and -women in training, constantly striving to improve their horsemanship skills.

With only four pages per chapter, From Rider to Horseman is designed as a user-friendly reference. Each brief essay is designed for a quick read before you go to the barn. Make the most of your riding time and enjoy your journey from rider to horseman.
